

HAVE YOU HEARD...

MD Anderson Cancer Center employees have care supports for children and elders?

Everyday Problems. SOLVED.

My child had a blast at Bright Horizons. As I parent, I knew that she was safe, comfortable, and learning. They have a consistent procedure that made it easy for me.

MD Anderson Cancer Center offers high-quality back-up care for children and adult/elder relatives, getting you to work with the confidence of a provider you can trust and at a cost you can afford.

Employees can access up to 60 annual hours of family care when regular arrangements fall through. Get immediate access to care supports at subsidized rates: center-based care is \$2 per hour per child; all in-home care is \$4 per hour for up to three people. Register for free so you can use back-up care when:

- You need high-quality back-up care in a center
- Your regular caregiver is unavailable
- You're between care arrangements for your adult/elder relative
- School is closed for vacations, holidays, or in-service days
- You need a little extra dependent care support
